TECH CENTER 1600/2900

INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with 37 C.F.R. §§ 1.56, 1.97 and 1.98, Applicant brings the attached disclosures to the Examiner's attention and requests that they be considered and made of record in this application. Also attached is a completed PTO-1449 form.

Additionally, Applicant invites attention to the last two sentences on page 1 of the specification, viz:

"A pilot study was conducted at the University of Maryland to investigate the long term effects of D-tagatose in humans with type-2 diabetes. During the course of this study, there was found to be an increase in HDL-cholesterol levels in each of the subjects, both the patients and the controls, treated with the tagatose."

Respectfully submitted,

Robert H. Berdo
